MASTER SERVICES AGREEMENT

Agreement No. MSA-2026-RF-001

Between FRDT Lab ("Provider") and Reforming Foundations Pilates & Wellness ("Client")

Effective Date: _____

This Master Services Agreement, together with each Statement of Work incorporated by reference (each a "SOW," collectively the "SOWs"), sets out the terms under which Provider will perform services for Client. Each SOW is a separate, numbered exhibit; this MSA governs all SOWs entered into by the parties unless a SOW expressly states otherwise.

DRAFT — TEMPLATE FOR REVIEW

This document is a working template prepared for convenience and is not a substitute for advice from a licensed attorney. Have counsel review this MSA and the attached SOW before either party signs, particularly the liability, warranty, and termination provisions.

1. Services and Statements of Work

1.1 Provider will perform marketing, website, and related growth-system services for Client as described in one or more Statements of Work ("SOW"). Each SOW is numbered sequentially (SOW-001, SOW-002, etc.), references this Agreement, and becomes part of this Agreement once signed by both parties.

1.2 If a SOW conflicts with this MSA, the SOW controls for that specific engagement only.

2. Term and Termination

2.1 Term. This Agreement begins on the Effective Date and continues until all active SOWs are completed or terminated.

2.2 Termination for Convenience. Either party may terminate an active SOW with 14 days' written notice. Client remains responsible for fees earned for work completed, and for milestone payments due, through the termination date.

2.3 Termination for Cause. Either party may terminate immediately on written notice if the other party materially breaches this Agreement or a SOW and does not cure the breach within 10 days of written notice.

2.4 Effect of Termination. On termination, Provider will deliver all completed work product and transfer all accounts, logins, and assets already created for Client, per Section 5.

3. Fees and Payment

3.1 Fees for each SOW are set out in that SOW's payment schedule. Unless the SOW states otherwise, a deposit is due to reserve the engagement and begin Week 1; the remaining balance is milestone-gated as described in the SOW.

3.2 Final payment is due no later than the engagement end date stated in the SOW. A change in project timeline, for any reason, does not move the final payment date, unless the parties agree otherwise in writing.

3.3 Fees exclude third-party technology, software, or subscription costs required for the engagement (e.g., booking tools, email platforms, hosting, paid apps). These are billed to Client directly by the applicable vendor unless otherwise agreed in writing.

3.4 Invoices are due on receipt unless the applicable SOW states different terms. Amounts unpaid more than 15 days past due may accrue late interest at 1.5% per month or the maximum allowed by law, whichever is lower, and Provider may pause work until the account is current.

4. Client Responsibilities

4.1 Client will provide timely access to accounts, systems, brand assets, content, and approvals reasonably required for Provider to perform the SOW. Timelines in a SOW assume Client meets the response and delivery windows stated there; delays on Client's side may extend the project timeline accordingly without affecting the payment schedule in Section 3.2.

4.2 Client is responsible for the accuracy of business information it supplies (pricing, hours, locations, credentials, and similar facts) that Provider incorporates into deliverables.

5. Ownership and Intellectual Property

5.1 Client-Owned Assets. All accounts, logins, and final deliverables created for Client under a SOW — including but not limited to the website, content, and connected marketing accounts — belong to Client upon full payment for the applicable SOW. Nothing here is held back from Client after payment in full.

5.2 Provider Tools and Methods. Provider retains ownership of its pre-existing frameworks, templates, workflows, and general methodology used to deliver the work. Provider grants Client a perpetual, non-exclusive license to use any such pre-existing material as incorporated into Client's final deliverables.

5.3 Client Content. Client represents that it owns or has the right to use all photos, video, copy, trademarks, and other materials it supplies to Provider, and grants Provider a license to use them solely to perform the SOW.

6. Confidentiality

6.1 Each party will keep the other's non-public business, financial, and technical information confidential, and will use it only to perform this Agreement. This obligation survives termination for 2 years.

6.2 This section does not apply to information that is or becomes public through no fault of the receiving party, was already known to the receiving party, or is required to be disclosed by law.

7. Independent Contractor

7.1 Provider is an independent contractor, not an employee, partner, or joint venturer of Client. Nothing in this Agreement creates an employment relationship, and Provider is solely responsible for its own taxes, benefits, and insurance.

8. Warranties and Disclaimers

8.1 Provider will perform the services in a professional and workmanlike manner consistent with industry standards.

8.2 No Outcome Guarantee. Provider does not guarantee specific search rankings, AI-answer citations, booking volumes, revenue outcomes, or other business results. Marketing, SEO, and GEO performance depend on factors outside Provider's control, including search-engine and AI-platform behavior, competitor activity, and Client's own operations.

8.3 Except as expressly stated in this Agreement, services are provided "as is," and Provider disclaims all other warranties, express or implied, including merchantability and fitness for a particular purpose, to the maximum extent permitted by law.

9. Limitation of Liability

9.1 Neither party is liable to the other for indirect, incidental, special, or consequential damages, including lost profits or lost data, arising out of this Agreement, even if advised of the possibility of such damages.

9.2 Each party's total liability arising out of this Agreement or any SOW is limited to the total fees paid or payable under the applicable SOW in the 6 months before the claim arose.

10. Indemnification

10.1 Each party will indemnify and hold the other harmless from third-party claims arising from its own breach of this Agreement, negligence, or willful misconduct, and, for Client, from Client-supplied content Provider used as instructed.

11. General Provisions

11.1 Governing Law. This Agreement is governed by the laws of the State of Michigan, without regard to conflict-of-law principles. [Confirm this is the correct governing state before sending.]

11.2 Entire Agreement. This Agreement, together with all signed SOWs, is the entire agreement between the parties on this subject and supersedes prior discussions or proposals.

11.3 Amendment. This Agreement may be amended only in a writing signed by both parties. Changes to project scope are handled as a new or amended SOW.

11.4 Assignment. Neither party may assign this Agreement without the other's written consent, except to a successor in a merger or sale of substantially all assets.

11.5 Force Majeure. Neither party is liable for delay caused by events beyond its reasonable control.

11.6 Notices. Notices under this Agreement are sent to the contact emails listed on the signature page.

Statement of Work SOW-001 — Reforming Foundations Growth System

This SOW is issued under and incorporates by reference Master Services Agreement No. MSA-2026-RF-001 between FRDT Lab ("Provider") and Reforming Foundations Pilates & Wellness ("Client").

A.1 Engagement Overview

Provider will fix the identified website and search-visibility gaps, build a guided front-door experience on Client's existing Squarespace and HelloWalla platforms, and stand up the measurement, content, and review systems described below — without migrating Client off its current booking or website platform.

A.2 Option Selected

Client selects one option below (check one). Scope for the selected option is defined in A.3. Fees are defined in A.4.

- ☐ Option 1 — Get Found — \$3,600
- ☐ Option 2 — Found + Local Revenue (Recommended) — \$4,200
- ☐ Option 3 — The Content Engine — \$6,300

A.3 Deliverables by Option

Option 1 — Get Found:

- Metadata correction (resolve the Milford, MI listing inconsistency across all affected pages)
- LocalBusiness structured data (schema) for both locations
- Hours added to both location pages
- GA4, Search Console, and a dashboard covering welcome-offer bookings, membership conversions, teacher-training inquiries, and location traffic
- Contact form added; welcome-offer pricing display corrected
- Reviews-request process started
- Directory cleanup — Google Business Profile, Yelp, WellnessLiving, Tripadvisor
- 4 weeks of post-launch support and a written playbook

Option 2 — Found + Local Revenue (includes Option 1, plus):

- Guided front-door routing experience built on the existing Squarespace site and HelloWalla booking integration
- Testimonials and proof points added to pricing and location pages
- One new content page addressing the Birmingham-adjacent service area
- Welcome email flow for new inquiries

Option 3 — The Content Engine (includes Option 2, plus):

- RF School of Pilates landing page

- Two additional content pages (post-physical-therapy and beginner-intimidation topics)
- One on-site photo/video shoot day at both studio locations, plus content templates and a first content batch
- A follow-up AI-visibility baseline check after launch

A.4 Fees and Payment Schedule

Option	Total Fee	Deposit	Balance (milestone-gated)
Option 1 — Get Found	\$3,600	\$1,500	\$2,100
Option 2 — Found + Local Revenue (Recommended)	\$4,200	\$1,800	\$2,400
Option 3 — The Content Engine	\$6,300	\$2,500	\$3,800

The deposit for the selected option is due to reserve the build slot and begin Week 1. The balance is milestone-gated per Section 3 of the MSA and is due in full no later than the engagement end date.

A.5 Add-Ons (may be added to any option)

- Additional live shoot day (second studio visit or restock) — \$750
- Extra content page (e.g., private-vs-group, postpartum) — \$450
- CEC / continuing-education program page — \$600
- Professional-referral one-pager and form (PTs, chiropractors) — \$350
- Advanced reporting — segment-level LTV and monthly readout — \$400
- Extended social support — \$750/month

A.6 Timeline

- Phase 0 (Weeks 1–2) — Get found: metadata fix, schema, hours, contact form, tracking live
- Phase 1 (Weeks 3–8) — Front-door build, offer-page fixes, Birmingham content
- Phase 2 (Weeks 9–16, Option 3 only) — School of Pilates page, content pages, shoot day, reviews engine

Timeline assumes Client delivers requested content, approvals, and platform access within 3 business days of each request. Delays on Client's side may extend these dates without changing the payment schedule in A.4.

A.7 Assumptions and Dependencies

- Client retains its existing Squarespace subscription and HelloWalla booking account; this SOW does not include platform migration
- Client provides admin access to its Squarespace site, Google Business Profile listings, and analytics accounts

- Migration off Client's current booking or website platform
- Ongoing content writing beyond the pages listed in A.3
- Paid advertising setup or management
